

Physics 116 Section Info Sheet

Section TA: Patrick Meade

Email Address: meade@mail.lepp.cornell.edu

Website: <http://www.lepp.cornell.edu/~meade/>

Office Location: 405 F.R. Newman Lab

Office Phone: 5-5160

Office Hours: Monday 2-3 Tuesday 4-5 and by appointment

Your section grade will be comprised of:

40% Homework

40% Quizzes

20% Attendance/Participation/Effort

There will be ~ 4 Quizzes for the semester.

Homework will be graded per problem on the following scale (but not necessarily all problems will be graded!):

3 - correct, work shown

2 - correct, without any work or incorrect but good progress towards solution

1 - problem attempted some work shown

0 - problem not attempted

Late HW policy: 50% for HW handed in on same day they were due if not in class, 0% after that

If there is interest at the time I will schedule an additional review session before exams trying to accommodate the largest number of student schedules.

Section is for your benefit please let me know at any time throughout the semester if there is something I can do that you believe will help you learn. I also am available to meet outside of office hours if it is scheduled in advance.
